## The £1.50 parent portfolio package

A 20 + page booklet to hand to your parents, to act as a visual reminder about your setting. I have used this book for two years now, and parents like the book as representation of the setting, and your professionalism.

### Contents

- A bit about me (you!)
- Contract information
- Policy details
- Routines
- Meal ideas
- Learning through play
- How my business works—time off etc

Let magicminding take the strain for your business!

This booklet will need to be personalised to your business / setting. There is a lot of text to guide and support you in doing this. Parents have all their questions answered, and you will feel confident, that so few minders do this—that you will stick out in the parents mind more.

This pack is emailed once payment has cleared—or like all other packages available through magicminding, can be burnt onto a CD Rom and posted to your home address for an additional £2.

If there is any additional pages you would like added to the pack, please contact me for details.
